

FACETS Scholarship Program Application 2023-24

FACETS is an inclusive, affirming scholarship group focused on understanding and respecting the diversity of human gender and sexual orientation, and how these intersect with factors such as race, culture, religion, and more. Members earn a **\$75/month rent scholarship** to participate in various conversations and events around this theme, approximately six times per semester / every two weeks, jointly facilitated by program staff Ginger Morgan and Manato Jansen.

FACETS is geared towards residents in the LGBTQ+ community, as well as interested allies, and is open to residents of any and every identity, any national, cultural or racial heritage, any beliefs and backgrounds. Members of **FACETS** form a small, tight-knit cohort where differences are welcomed, and are expected to bring an open mind and an investment in helping shape the discussions that take place.
